

**REMARKS**

By this amendment, Applicant amends claim 12.

The above-identified application was allowed in the Notice of Allowance mailed February 20, 2008. The issue fee is being filed concurrently with this paper.

Subsequent to the receipt of the Notice of Allowance, Applicants noted a minor difference between the claim amendments entered by the Examiner in the February 20, 2008 Notice of Allowability, and Applicants' proposed amendments discussed in the February 11, 2008 telephonic interview between the Examiner and Applicant's representative. The requested amendment shows differences between the claims entered by the Examiner and the proposed claims that were discussed.

Each of the requested amendments is fully supported by the specification and drawings, will not require an additional search, and does not raise new issues. Therefore, Applicant respectfully requests that this Amendment be entered and the requested changes made.

Please grant any extensions of time required to enter this response and charge any additional required fees to Deposit Account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
